

Attention

Authorized use only.

Hand-Held X-ray Units are to be used by Authorized Personnel Only. When not in use, they are required to be locked in designated storage area.

If it is discovered that the device has been misused or gone missing, contact your immediate supervisor and/or the RSO. They are required to document the incident and report it to the Division of Rad Health immediately. Xray.registration@tn.gov or 615-532-0364.
